Exp.no.2

SETTING UP A ZOHO CREATOR ACCOUNT AND EXPLORING THE PLATFORM ARCHITECTURE AND INTERFACE

Aim:

To create a Zoho creator account and explore its platform architecture, features and user interface.

Requirements:

Computer/Laptop, Internet connection, Web browser, Zoho creator account.

Procedure:

i) Open the Zoho creator website
ii) Create a new account or sign in using an existing account.
iii) Explore the Zoho creator dashboard.
iv) Examine the application builder and available components.
v) Explore forms, reports, pages, workflows and other features.
vi) Understand how applications are created and managed in the platform.
vii) Navigate through the different sections of the interface.

Result:

The Zoho creator account was successfully set up and the platform architecture and user interface were explored and understood.
